\$5.00 per player for 6 rounds. You'll receive a "hard" dry-erase bingo card that can be reused for each game
(and it eliminates the waste of disposable cards).

***HOMEMADE BURRITOS CAN BE PURCHASED FOR \$2
ALONG WITH, DRINKS AND FRUIT FOR DESSERT.***

We are asking everybody attending to bring their own "picnic plates", for the Bingo night. It may become a tradition at Bridges that parents bring their own utensils for all social event. (We will have some reusable plates available for those families that forget).

We are also asking if people can donate prizes for the Bingo table. It can be a used toy or book that still looks good, or something new, but not more than \$3. This way we can keep the cost down on prizes while supporting our philosophy to reuse and reduce.
